3 Things to watch out for when shopping online for the holidays

1. Fake fraud alerts. If you receive an unexpected call or message about a fraudulent purchase, don't engage. Contact the merchant, your bank, or card provider directly to verify.
2. Bogus shipping notifications. Be wary of texts or emails reporting an issue with your package delivery. Don't click links or open attachments without verifying first.
Tip: If you receive an unexpected package, don't scan the QR code as it could point to a fake website.
3. AI-created scam websites. Avoid advertised links from search results. Double check the URL for misspellings or extra characters before clicking "Buy".
Tip: Use a credit card to make online purchases if you can - it has additional protection.
